Product Description

Alcohol based glass cleaner which has been formulated with both IPA and 2-Butoxyethanol to make it clean and evaporate at a perfect speed to eliminate smearing, but at the same time will remove surface dirt and contamination.

Instructions for use

Glass Cleaner is easy to apply – simply spray either directly to the glass, or onto an applicator cloth. Continue to wipe solution over the surface, making sure all areas are cleaned. Continue to use a clean microfibre to buff straight after.
