Product Description

White Storm Snowfoam is a specially formulated highly foaming pre-wash agent that produces a rich, stable foam at an unbelievable dilution ratio. The biodegradable formula safely and effectively lifts dirt and grime off all exterior surfaces without stripping sealant or wax protection.

Instructions for use

White Storm Snowfoam is easy to use - Rinse your car first to loosen any dirt. Use 100-150ml in a 1L foam lance and top up with 900ml of deionised water for best results. Apply product to surface going from top to bottom of the vehicle. Allow product to dwell for 5 minutes. Rinse thoroughly with a pressure washer.
